

1 HOUR SERVICE CONDITIONS

The following requirements must be met in order to provide a 1 Hour Service:

- Customer must provide print-ready files for production (.eps, .pdf, .jpeg, .tif files)
- Print files must be scaled to requested size.
- Print files must be either vector, or a resolution of at least 150 dpi for proper print quality.

Ultimately, there are many different variables to take in to consideration when it comes to the work we do. Please do not hesitate to call or email us with any questions or concerns.
